#### **Looking forward .....**

On **Sunday 3<sup>rd</sup> November** the **Leeds Concert Band** are holding a Concert at **Wigton Moor Church** at **2.30 pm**. Tickets are available from: 0113 8242027 and refreshments are included. Children accompanied by an adult are free.

Also, on **Sunday 3<sup>rd</sup> November**, **Christ Church Halton** are to hold a pet blessing service led by Revd Dr Nicola Robinson, at **3.00 pm**. If your pet has recently died or is a little shy, please bring a photograph. All pets welcome.

At the time of writing, we are pleased to report that all the scaffolding had gone and after our cosy worshipping in the lounge the church looked huge. There is still some finishing off, cleaning and tidying up to be done but, by November 10<sup>th</sup>, all should be well, and we look forward to **inviting everyone back!**

The young people's **Thrive** hub now has almost all its cladding on and is looking really good. Those of you who have not been able to come in person to Stainbeck for the past month are in for some very pleasant surprises! We understand it will soon be named and there will be a launch of the new building in the New Year.

Information is now available regarding the partnership **Advent Course** and we do encourage you to attend at any or all of those sessions which will be offered over 4 weeks, 3 different times each week. See back page for a flyer.

Also, on **Sunday December 1<sup>st</sup>**, the **Leeds Concert Band** at 3pm will again be entertaining us with a **Christmas Concert**, always a treat. Tickets as last year £8 for adult, £20 for a family ticket (2 adults + 2 children). There will be a varied programme, interval refreshments and a very Christmassy second half. Look out for tickets!
